13 Septembrie Street 90

Bucharest 050726

Romania

The hotel is conveniently located within walking distance of the 'Izvor' Metro Station. Additionally, there are three bus stations in close proximity to the hotel.

- Piața Arsenalului (buses 385, 136)
- Panduri (buses 122, 226)
- Eroilor (buses 104, 123, 168, 368, 336)

Additionally, in the vicinity, three metro stations can also be found.

- Izvor
- Eroilor
- Piața Unirii

The 'Gara de Nord' train station is easily accessible from the hotel, requiring a brief bus or taxi ride that takes less than 10 minutes.

To go from and to Henri Coandă International Airport (Otopeni):

- 📄 By taxi: approx. € 15 (70 lei) estimated travel time 30 minutes, depending on traffic.
- 📄 By public transport: Bus n°100: from the airport directly to Piața Unirii and vice-versa, close to the hotel: € 0.60 (3 lei) one travel.

It's crucial to note that not all taxis in Bucharest support card payments. Some may insist on cash payments in lei, often charging amounts higher than the actual fare. For a secure and transparent transaction, we recommend calling a taxi rather than hailing one on the street. Ensure you can pay by card or request an invoice for your payment. In Bucharest, Uber and Bolt are widely used and offer extremely accessible prices. Consider using these reliable alternatives for hassle-free and transparent payment.
